ABOUT ME

I am learning React with commitment. I've been studying for about a year now. I really like to spend time writing a great application while learning new technologies. When writing code, I try to do the best execution.
I try to always do my job with commitment and responsibility.
I was mentored by a senior front-developer for 10 months.
I like challenges, I like meeting new people and helping people.

EXPERIENCE

-KM Państwowej Straży Pożarnej w Bydgoszczy as a lifeguard driver (15-09-2019 - present). -Self-eductation frontend (01-2022 - present).
